## Small Animal Veterinary Surgeon' s Job

Lanes Vets is a large mixed practice based in Garstang Lancashire, with branches in Lancaster and Poulton-Le-Fylde. Excellent situation for country and city fun!

Lanes Vets has excellent facilities, all 3 branches being fully equipped with digital xray, Idexx blood analysers and experienced clinicians. We have in-house vets taking referrals in dermatology and ophthalmology and visiting referral clinicians in dentistry, soft tissue surgery and cardiology. We pride ourselves on our excellent client and patient care and have achieved an Outstanding level in the RCVS Client Service Practice Standards awards.

We have 24 hour nursing on site at our Garstang surgery for in-patient care and out of hour' s provision.

### Job Requirements

We require an enthusiastic full time small animal vet who is caring, has good communication skills and is able to work as part of a large, friendly team.

We cover our own out of hours with our night nurse answering the phone, the job involves a share of the rota (1:10 at present). We do 4 and a half day weeks. Working hours are generally 8.30am to 6pm with a late surgery each week. We would consider a 4 day week with longer hours to cover evening surgeries.

We offer good clinical support to our vets and have monthly meetings where we discuss cases and changes within the practice.

Holiday entitlement is 5 weeks per year plus bank holidays.

Personal progression is important to us and CPD is encouraged and funded, 5 days per year and upto £1000. Special consideration would be given for funding of certificates and further qualifications if deemed to be of benefit.

Remuneration in line with experience, new graduate starting salary £30K.
