
OCTOBER 2024

WELCOME TO CLAWS & PAWS

Lanes Vets Newsletter

Here you'll find great advice, offers for you and your pet, news, hints & tips, seasonal advice and much, much more!

PRACTICE NEWS

**Meet Kelly Lowick, Director & Practice Manager -
Garstang & Cottam**

Kelly started working at Lanes Vets in 2008 as a Registered Veterinary Nurse and has always worked within the animal industry. She grew up in Chorley and is still local to her roots, living with her family there.

Since working at Lanes Vets, Kelly has worked her way up and has gone from being a Veterinary Nurse to Head Nurse at Garstang and is now the Garstang & Cottam branch manager and Senior Nursing Manager.

In Summer 2021, Kelly bought into the practice and became one of our directors.

Meet the rest of our team on our new website 

<https://www.lanesvets.com/pets-our-team/>

Meet Mable!

This is Mabel! 

Mabel gets very anxious and nervous when coming into the vets. She came into our Poulton branch for her annual booster vaccination and a VIP Health plan included in her VIP plan.

Mabel was very brave for her vaccination and even gave one of the nurses her paw in the reception area!

Well done Mabel! ❤️ 😊

Join one of our Pet Health Plans and get your furry friend the same VIP treatment as Mabel 👉 <https://www.lanesvets.com/pet-health-plans/>

Join our Charity Bingo Night!

Join us for our Bingo Night and help us raise funds for St. John's Hospice and S.A.L.V.E International.

📅 Saturday, 23rd November 2024

📍 Cockerham Village Hall

Please get in touch with us for more information.

We have a brand new website! 

Head over to  <https://www.lanesvets.com/> and check out our brand-new website! 

BE AWARE OF WILD MUSHROOMS!

As we go on amazing walks with our pets during this season, they might be tempted to pick stuff up from the ground that they shouldn't, and this might include a possibly toxic mushroom!

Wild mushrooms are a common sight during the autumn and there are many different species. Some of these are edible while some can be very dangerous if ingested and distinguishing between these two types can be challenging, as they can look very similar.

If your dog has eaten something they shouldn't have, call us as soon as possible and, if you can, take a picture of the mushroom they ingested! 📞 📷

HAPPY BONFIRE NIGHT!

Did you know that hedgehogs will be looking for cosy spots to hibernate during this time of the year? 🍂 zZ

Their preferred hideouts are logs or piles of leaves, and if they spot one in your garden, they might move right in. Unfortunately, this includes bonfires, and we urge our community to assemble them as close as possible to when they are going to be lit, and check for any hedgehogs before starting the fire.

Have fun, and remember to keep our hedgehog friends safe! 🦔 If you spot a hedgehog that needs help, contact the British Hedgehog Preservation Society on 01584 890 801 📞
